### Notes

- The table above lists the dates and opponents along with the inning lead players for the 1990 Houston Astros. Each entry includes the date, game number, opponent, inning number, and the player who led the inning for the Houston Astros. For each entry, the player's name is followed by the name of the player who replaced them. This information is valuable for historical research on defensive replacements in baseball during the 1990 season.

### Additional Information

- The information is sourced from the Ron Brier's Baseball Sim Research database, which contains detailed data on baseball games, players, and team performances throughout the 1990 season.
